Diploma course selection
2026 - 2028

Sotogrande INTERNATIONAL SCHOOL
An inspired school

The diploma timetable at SIS is organised in six blocks. You must choose **only one course per block**.
HL stands for Higher Level, SL stands for Standard Level.
For detailed information about each course, refer to the subject briefs available on the IB website.
Make one choice in each block.
- For the IB diploma, choose **3 HL subjects** and **3 SL subjects**, including at least 1 Language A course.
- For the Accredited High School Diploma, choose **6 subjects (up to 3 HL)**

Requirements:
For HL subjects, a MYP grade 6 (or equivalent) is required and an exam criterion level of 7-8 recommended.
For SL subjects, a MYP grade 5 (or equivalent) is required and an exam criterion level of 5-6 recommended.

Block 1 **English language**	**Block 2** **Other language course**	**Block 3** **Individuals & Societies**
English A Literature HL English A Language & Literature HL English B Language acquisition HL English A Literature SL English A Language & Literature SL English B Language acquisition SL	Russian A Literature HL Spanish A Language & Literature HL Spanish B Language acquisition HL German B HL *(subject to demand)* Russian A Literature SL Spanish ab initio Lang acquisition SL Spanish B Language acquisition SL Spanish A Language & Literature SL German B SL *(subject to demand)* School-supported self-taught language A Literature SL *	Business Management HL Economics HL Geography HL History HL Psychology HL Global Politics HL *(to be confirmed)* Business Management SL Economics SL Geography SL History SL Psychology SL Global Politics SL *(to be confirmed)* King's InterHigh online course **

- Please note that course availability in each block is subject to change, depending on supply and demand.
- If you are not able to choose a course because it is in the same block as another course of your choice or if you would like to study a course not listed above, please explain your situation and we will review your request.

* The course requires working with an additional tutor with support of the school. This is subject to agreement and incurs an additional fee.
** King's InterHigh online courses take place with an online teacher. This is subject to agreement and incurs an additional fee.
